

### **Booking Confirmation (For distribution to all participants)**

Thanks for organising a group of players to play at Big Game Paintball Adventures.

**As we want every player in your group to have a fun and enjoyable day out, please ensure the attached information sheet is passed onto "every" person who is coming.**

**It is important that you distribute the attached information sheet to your group well prior to your game day.**

Please encourage each player to read the details thoroughly.

In particular, the following points should be noted:

1. Don't expect to make 200-300 paintballs last for the whole session. On average, players will use between 500 and 900 paintballs. We have even had players use well in excess of 1500.
2. If you have any players between 12 and 15 years of age, an adult will need to attend to assist with supervision. Only one adult is required.
3. Deposits are just that. If a player decides not to turn up on game day, they forfeit their deposit.
4. We can only allow people on-site if they are 12 years of age or older.
5. Please be on-time. There may be other players and other sessions that rely on you being on time.
6. Paintball is played in a bush environment. Please wear appropriate clothing. We suggest enclosed, durable footwear. Same for spectators.
7. All people are required to stay with the main group as you move between safe areas and playing fields. This includes spectators.
8. Spectators will be charged \$5 to cover their Insurance, Goggles Hire and BBQ Lunch.
9. Players and spectators will need to stay until the end of the session.
10. We can only cater enough lunches for the number of deposits paid.
11. Big Game is BYO Alcohol only. Water, Soft and Energy Drinks are available for purchase.

If your group is less than 50 players, we recommend that between now and your game day you try and recruit more players. Remember, the more people on the playing fields, the better fun you will all have.

If you do get more players, please advise Big Game at least two days prior as we will need to organise more catering and possibly more staff.

We look forward to seeing you on game day.

Darren and Greg
